

# Introducing ... BSB Leasing's Broker Commission Stimulus Plan!

*For every deal you fund with BSB Leasing you'll earn one \$100 BSB Bonus Buck for each \$10,000 increment that can be redeemed on your next funded transaction*

*(\$50 BSB Bonus Bucks on all "Thin to Win" transactions).*

*Earn BSB Bonus Bucks on every funded app only transaction over \$10,000 during 2nd quarter, 2009.*

*It's as easy as 1 -2 -3*

- 1. Book a \$35,000 deal with BSB*
- 2. Earn (3) three \$100 BSB Bonus Bucks*
- 3. Use the BSB Bonus Bucks to earn extra commission on your very next deal !*

Here's how it works; During the 2nd quarter of 2009 for every app only transaction funded in excess of \$10,000 you can earn one \$100 BSB Bonus Buck for each \$10,000 increment funded. Then on your next funded transaction in excess of \$10,000 you can use those BSB Bonus Bucks to earn extra commission (one BSB Bonus Buck can be applied for each \$10,000 increment funded). For example, if you book a deal for \$40,000 you will earn (4) four \$100 BSB Bonus Bucks. On your next transaction you fund a deal for \$30,000 you can use (3) three BSB Bonus Bucks to receive an extra \$300 in commission. Save the fourth BSB Bonus Buck for your next transaction. In addition, you'll continue earning BSB Bonus Bucks for every transaction you fund, even when redeeming BSB Bonus Bucks on that funding. ( Earn \$50 BSB Bucks on all "Thin to Win" transactions)
