We Do

EVERYONE CAN BE A WINNER!

It's simple and easy. We've compiled 2007 funding figures for each broker. All you need to qualify is to add \$500,000 of Application Only business in 2008 to the amount that you funded with us in 2007. That's an average increase of only \$41,667 a month. See, it's easy!

Your Broker Rep will be sending out each Brokers 2008 Origination Targets shortly. Each month we'll send out updates showing your progress toward a week of fun and sun. Look for more details coming soon ! Aloha !
